

AGENDA AT A GLANCE

Tuesday **October 4, 2011**

Workshop Presentations and Training Sessions

- 8:30 Registration, Coffee & Pastries
- 9:00 Hawaiian Blessing & Welcome
- 9:15 **Keynote Speaker:** Bruce Dugger
Conservation Planning for Hawaiian Waterbirds: Linking Habitat Objectives to Population Size
- 10:00 **BREAK**
- 10:20 **Wetland and Waterbird Research**
- 12:00 **LUNCH**
- 1:00 **Training Session:** Andy Engilis, Jr.
Koloa, Feral Mallard, and Hybrid Identification Key
- 3:30 **BREAK**
- 3:45 **Panel Discussion: Waterbird and Habitat Monitoring**
- 5:00 End of Afternoon Session

Evening Poster* Session

5:30 - 7:00 Contributed Poster Session with pupus and no-host bar

*Please set up your poster during one of the breaks or during lunch. Mahalo!

Mahalo nui loa to the workshop sponsors!

2011 Hawaiian Wetlands and Waterbird Workshop

DETAILED AGENDA TUESDAY OCTOBER 4, 2011

8:30 am - 5:00 pm

Workshop Presentations and Training Sessions

- 8:30 Registration, Coffee & Pastries
- 9:00 Hawaiian Blessing & Welcome
- 9:15 **Keynote Speaker:** Bruce Dugger
Conservation Planning for Hawaiian Waterbirds: Linking Habitat Objectives to Population Size
- 10:00 **BREAK**
- 10:20 **Wetland and Waterbird Research**
- 10:20 Christopher Malachowski
Daily and Seasonal Movements by Endangered Koloa maoli on Kauai
- 10:40 Christina Cornett
Tracking Movements of the Endangered Hawaiian Goose with Satellite Telemetry
- 11:00 Adonia Henry
Vegetation, Soils, and Water Quality at Hawaii's Coastal Wetlands
- 11:20 Kim Peyton
Restoration of a Heeia Coastal Wetland: Effects on Species Diversity and Water Quality
- 11:40 Rick Camp
Quantitative Survey Methods and Analyses for Hawaiian Waterbirds
- 12:00 **LUNCH**
- 1:00 **Training Session:** Andy Engilis, Jr.
Koloa/Feral Mallard/Hybrid Identification Key
- 3:30 **BREAK**
- 3:45 **Panel Discussion: Waterbird and Habitat Monitoring**
Panelists: Rick Camp
Eric VanderWerf
Michael Reed
Leigh Fredrickson
- *****
- 5:30 **Evening Poster Session with pups and no-host bar**
(presenters listed on next page)

2011 Hawaiian Wetlands and Waterbird Workshop

DETAILED AGENDA TUESDAY OCTOBER 4, 2011

5:30 - 7:00 pm

Evening Poster Session

POSTER PRESENTERS (alphabetical by presenters last name)

Shahin Ansari	Developing coastal wetland restoration techniques to enhance coastal habitats at Ahua Reef, Hickam Air Force Base, Hawai'i
Chad Billat	Reducing Hybridization Threats to Endangered Koloa Maoli in Core Habitats at Hanalei and Hulē'ia National Wildlife Refuges
Michael Brady	Tools for Wetland and Seabird Conservation: Conservation Planning, Restoration, and Easements
Athline Clark	Ecosystem Restoration Initiatives at the U.S. Army Corps of Engineers Honolulu District
Christina Cornett	Habitat Selection of the Endangered Hawaiian Goose: A Multi-scale Approach
David DesRochers	Evaluating the Potential for Energy and Protein to Limit Abundance of the Endangered Hawaiian Moorhen

2011 Hawaiian Wetlands and Waterbird Workshop

DETAILED AGENDA WEDNESDAY OCTOBER 5, 2011

8:00 am - 12:00 pm

Workshop Presentations

(Wednesday afternoon sessions continued on next page)

- 8:00 Registration, Coffee & Pastries
- 8:30 Announcements
- 8:40 **Keynote Speaker:** Leigh Fredrickson
Challenges to Wetland Management in the Hawaiian Islands
- 9:40 **BREAK**
- 10:00 **Concurrent Session**
Restoration and Management Techniques
- 10:00 Chadd Smith
Developing Infrastructure for Intensively
Managed Wetlands at Hanalei and Huleia NWRs
- 10:20 Melanie Truan
Saving the Stilts (and Coots) of 'Aimakapā:
What is Needed and How Can We Get There?
- 10:40 Mike Silbernagle
The Herbicide Habitat® as a Tool to Control
Batis maritima to Benefit Hawaiian Endangered
Waterbirds on the James Campbell NWR
- 11:00 Bob Bourke
Techniques of Vegetation Control at Kaelepulu
Wetland
- 11:20 Page Else
Mangrove Issues on the Big Island
- 11:40 Rich MacKenzie
Exotic Fish in Aquatic Ecosystems: Impacts
and Potential Restoration Techniques
- 10:00 **Concurrent Session**
Predator Control
- 10:00 Katie Swift
Update on Mongoose and Rodent Research and
Management
- 10:20 Mike Nishimoto
Predator Control Trapping Strategies and
DOC/Cage Trap Experiments
- 10:40 Norma Bustos
Updates on the Feral Cat Working Group: Safe
Wildlife-Cats Meetings
- 11:00 Fern Duvall
Feral Cat Removal from a Maui Wetland Sanctuary:
Results and Issues Awaiting Resolution
- 11:20 Katie Swift
Rodenticide Bait Station Use for Wetlands
- 11:40 Jason Hanley and Katie Swift
Introduction to the afternoon discussion session:
Coordination and Priorities for Predator Control
- 12:00 **LUNCH** HWJV Update J. Rubey

2011 Hawaiian Wetlands and Waterbird Workshop

DETAILED AGENDA WEDNESDAY OCTOBER 5, 2011

1:00 pm - 4:45 pm

Workshop Presentations and Training Sessions

- 1:00 **Training Session:** Michael Reed
Managing Endangered Species Habitat in Hawaii (MESHH) Software
- 3:00 **BREAK**
- 3:20 **Concurrent Session**
Avian Botulism
- 3:20 Linda Elliot
Avian Botulism Response Procedures
- 3:40 Arleone Dibbon-Young
Avian Botulism in the Hawaiian Islands - Call for Data
- 4:00 **Community Involvement in Restoration and Management**
- 4:00 Lehua Lopez-Mau
Community Collaborations in Planning for Honu`apo's Wetlands
- 4:20 Chuck Burrows
The Cultural and Ecological Restoration of Ulupo Heiau and Na Pohaku o Hauwahine from a Hawaiian Conservation Ethics
- 4:40 **WRAP-UP**
- Concurrent Session**
Predator Control (continued)
- 3:20 Discussion
Coordination and Priorities for Predator Control
- Predator Control (continued)**
- 4:00 Discussion (continued)
Coordination and Priorities for Predator Control
